

Support for your School of Sanctuary Journey with experienced school leader Kathrine Nutting

Drawing on over 40 years in education - including senior leadership and Headship roles across Bradford schools - Kathrine Nutting, our new (voluntary) Schools' Advisor offers expert, practical support to help your school confidently work toward the School of Sanctuary award.

Why work with Kathrine?

Kathrine brings a combination of:

- Proven leadership experience across diverse school settings
- First-hand success leading a school to achieve the award (Nov 2024)
- Deep understanding of inclusion, equality and culturally responsive practice
- Insight into Bradford's school communities and demographics
- Practical, results-focused guidance – she understands the framework, has delivered it successfully, and has seen the whole-school impact it can achieve.

What she offers schools

Kathrine provides tailored guidance to support your setting at any stage of the Schools of Sanctuary journey:

✓ Strategic planning

- Audit of current practice
- Action planning aligned to award criteria

✓ Staff development

- Training on inclusion, migration awareness and sanctuary principles
- Practical strategies for welcoming new arrivals

✓ Leadership coaching

- Advice for SLT and governors
- Policy development support

✓ Curriculum support

- Embedding sanctuary themes across subjects
- Age-appropriate approaches for different key stages

The impact for your school

Working with Kathrine will help your school:

- Strengthen inclusive ethos and practice
- Enhance provision for newly arrived pupils
- Build staff confidence and understanding
- Demonstrate clear evidence for award assessment
- Create a culture where every child and family feels welcome and valued

— ” —

“Having experienced the whole-school benefits of working towards the award, I’m passionate about supporting other schools to develop their practice and achieve it.”
