

Slick Films and Plan Nine pictures would like to invite you to a special event. A screening of the powerful new short film, Largo. Followed by a **poetry webinar for KS2 students** led by award-winning poet **Dr. Inua Ellams**, guiding children to express their own stories of identity and home through written word.

Largo is the story of Musa, a ten-year-old Syrian refugee who longs to reunite with his family and builds a boat to sail home. With powerful performances from Tamsin Greig, Kevin McNally and newcomer Zach Elsokari, Largo offers a story of resilience, belonging, and hope.
