

EVESHAM VALE WELCOMES REFUGEES

Welcome to Evesham!

Evesham Vale Welcomes Refugees is a group of volunteers who support all refugees and asylum seekers in this area. We are pleased to welcome you to our town and look forward to meeting you in person.

We can help you with many things – here are some examples:

- **We can help you get emergency supplies of food, toiletries, and household items,**
- **We can help you register with a local doctor,**
- **We can provide you with free clothing and sometimes other important things like mobile phones and UK SIM cards,**
- **We offer English lessons,**
- **We can help you get to know the local area, introduce you to local organisations, such as churches, mosques, shops that sell the things you might need, a local gym,**
- **We can help you look for opportunities for volunteering locally and, if you eligible, help you get jobs.**
- **We organise events, meetings and trips where you can meet other people and practice your English**

If you would like to meet us, please send a text to 07708 738918 with your name, your address and the language you speak, and someone will call you back. Or you can visit our Sanctuary Centre in the town – in the indoor shopping centre, opposite the Coffee Shop.
