

Stockport City of Sanctuary

Organisational Pledge

Building a culture of welcome across Stockport

Commitment to a Culture of Welcome

We recognise that many people are forced to flee their homes due to war, persecution, violence, and human rights abuses. Everyone deserves dignity, safety, and the opportunity to belong. By signing this pledge, our organisation commits to supporting the vision of the City of Sanctuary movement and helping build a welcoming community for refugees and people seeking sanctuary.

Our Commitment

- Promote a culture of welcome, inclusion and respect.
- Learn about the experiences of refugees and people seeking sanctuary.
- Embed welcoming and inclusive practices within our organisation.
- Work collaboratively with local partners and community groups.
- Share positive messages that challenge misconceptions.
- Encourage others to support a culture of welcome.

Our Vision

We support a society where people seeking sanctuary are welcomed, valued, and able to rebuild their lives in safety. Through this pledge we contribute to making Stockport a place of sanctuary.
