Hay, Brecon & Talgarth
Sanctuary for Refugees

Refugee Week Creative Collaborative Challenge 2027

Work collaboratively together as a year group, class, or after-school club on the theme:

Lost and Found

Refugees lose many things when they are forced to flee their homes, but they also find and learn new things in the places where they find sanctuary.

Be as creative as you can to explore this theme. This could be **a collage, a series of paintings, poetry, short accounts/stories, or any combination of these** – be as creative as possible! You could present the work as a poster/wall display or as a book or a 3D installation…

Maximum size: 1 metre by 1.5 metres

Original work only – no use of AI please!

The work should be ready to hang or display in an art gallery

Entries will be displayed during June, July and August in Brecon, Hay and Crickhowell.

All groups that enter will be awarded certificates.
Books will be awarded to all schools that take part.

Deadline: **24 May 2027**. We will collect work from schools/groups.

Contact hbtsos20@gmail.com if you have questions about the challenge, and to arrange collection of entries.
